

A full-page background image of a mountain biker in mid-air, performing a trick. The rider is wearing a black helmet, goggles, a black long-sleeved jersey with 'SUMMER OUT IN' text, and bright orange pants. The bike is a full-suspension mountain bike with red and black frame. The background is a bright, overcast sky with some green trees visible on the left and right edges. A ski lift chair is visible in the lower right background.

ABOUT ME

Hi, I'm Valentin Pohn and I'm 16 years old.

I live in Upper Austria in a small village called Zell am Pettenfirst. I absolutely love riding bikes and I want to push my limits.

As a little boy I was on the bike pretty much every day in all weather conditions. I would beg for more wood or dirt to build new jumps in the backyard.

In 2020 I did my first ever downhill race and finished on the podium. From then on it got more and more serious.

My goal is to be a professional downhill athlete.
